

Uh the boy is **stealing cookies** out of the jar. And he's on a stool that's falling down. And the girl is laughing at him. And the **mother** is washing dishes but she's **preoccupied**. And the water is flowing over the sink. And uh there's trouble galore. The wind is blowing the uh curtains. Um ... she is not paying any attention to her kids. And um the boy in addition to stealing he's trying to give the girl a a cookie. And uh the whole thing is going to collapse. Uh but aside from that they seem to be a fairly **happy** family.

They're baking. Making a mess out of the place. By not putting by not no neatness. There's a few accidents. The little boy is sta standing on a chair which is crooked. The lady has water running out of her sink. And towel in her hand which is dangerous. Cookies are coming down the cookie jar is coming down. And the place is very pretty.
