Tell me everything you see going on in this picture.

Uh the boy is **stealing cookies** out of the jar. And he's on a stool that's falling down. And the girl is laughing at him. And the **mother** is washing dishes but she's **preoccupied**. And the water is flowing over the sink. And uh there's trouble galore. The wind is blowing the uh curtains. Um ... she is not paying any attention to her kids. And um the boy in addition to stealing he's trying to give the girl a a cookie. And uh the whole thing is going to collapse. Uh but aside from that they seem to be a fairly **happy** family.

Well she's washing dishes. He's climbing up to get cookies. He's gonna fall. And she's laughing. And she's spill running the water over. That looks like someone down out there or something. I don't know what that is.
