

### Single Post

Five years now and still **no job**. I think I'm better off **dead** than alive.

### Direct Causality

Work and Career Challenges

Cause

Suicidal Idea

Outcome

### Posting History

Post 1: Wake up early from nightmare again...

Post 2: My closest friend stopped responding to my calls or texts.

...

Post n: Activities that were once enjoyable hold no meaning whatsoever.

### Long-term & Latent Causality
